

LE CREUSET HARVEST MEMORY GAME

AGE: 5+ ✂

Cut the Cards and Follow the Steps!

1. The objective is to collect the most pairs of cards.
2. Shuffle the cards and lay them on the table, face down, in rows.
3. Pick a player to start and then continue clockwise.
4. On each turn, the player turns over any two cards (one at a time) and keeps them if the cards match (for instance, two pumpkins)
5. If they successfully match a pair they get to keep the cards, and that player gets another turn.
6. When a player turns over two cards that do not match, those cards are turned face down again (in the same position) and it becomes the next player's turn.
7. The trick is to remember which cards are where.
8. The person with the most pairs at the end of the game wins.
